BITS Hyderabad

WHY CHOOSE THE RESONANCE BITSAT INTENSIVE PROGRAM

**We don't just prepare you for an exam
we prepare you for the entire journey.**

While most aspirants focus solely on JEE, the path to BITS Pilani, Goa and Hyderabad needs its own awareness, strategy and edge. From understanding the campus and its opportunities, to the mix of live and recorded lectures, regular doubt sessions, a large bank of mock tests, mentorship and timely motivation, and finally counselling and seat allotment

— Resonance stays with you at every step.

MASTER THE "GAP" SYLLABUS

Nearly 30% of the BITSAT syllabus rests on chapters no longer covered in the JEE Main preparation cycle. We bridge this gap with dedicated teaching for every special chapter exclusive to BITSAT in Physics, Chemistry and Maths.

THE ENGLISH & LOGICAL REASONING ADVANTAGE

BITSAT is unique for its English Proficiency and Logical Reasoning sections, worth more than 25% of total marks. Recorded lectures, live unit-wise revision and specialised conceptual questions help you maximise this high-yield area.

MENTORSHIP, MOTIVATION & COUNSELLING

This isn't just recorded videos or mock tests. Regular doubt sessions, timely motivation and dedicated mentors walk with you through the year, right up to the final counselling and seat allotment process.

4_{HRS} Weekly live sessions, every

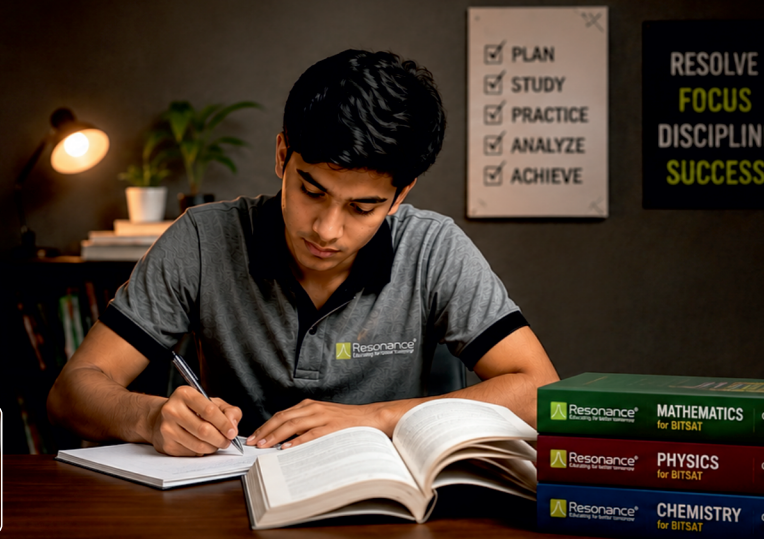

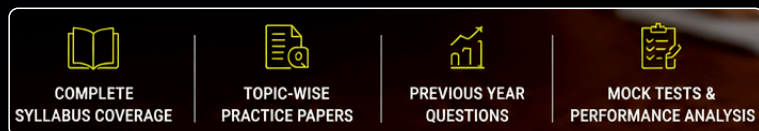

10 Full mock tests
5 for Session 1,
5 for Session 2

3 Campuses guided through —
Pilani, Goa & Hyderabad

With the right guidance, disciplined preparation, and unwavering determination,
your dream of studying at BITS can become a reality."

— Team Resonance

BITSAT EXTENSIVE STUDY MATERIAL

Our meticulously designed printed study material provides complete chapter-wise coverage to help students build strong conceptual understanding, practice effectively, and prepare confidently for the BITSAT examination.

Chapter-wise Synopsis

Clear and concise notes covering essential concepts, important formulas, key points, and quick revision content for every chapter.
